1. Aims

This policy aims to:

- Provide background information about the pupil premium grant so that all members of the school community understand its purpose and which pupils are eligible
- Set out how the school will make decisions on pupil premium spending
- Summarise the roles and responsibilities of those involved in managing the pupil premium in school

2. Legislation and guidance

This policy is based on the [pupil premium conditions of grant guidance \(2017-18\)](#), published by the Education and Skills Funding Agency. It is also based on guidance from the Department for Education (DfE) on [virtual school heads' responsibilities concerning the pupil premium](#), and the [service premium](#).

3. Purpose of the grant

The pupil premium grant is additional funding allocated to publicly funded schools to raise the attainment of disadvantaged pupils and support pupils with parents in the armed forces.

The school will use the grant to support these groups, which comprise pupils with a range of different abilities, to narrow any achievement gaps between them and their peers.

We also recognise that not all pupils eligible for pupil premium funding will have lower attainment than their peers. In such cases, the grant will be used to help improve pupils' progress and attainment so that they can reach their full potential.

4. Use of the grant

- Pupil Premium grants will be used to support pupils to overcome barriers to learning which largely relate to Social, Emotional and Mental Health as well as additional learning needs identified through SEN support, EHCPs and Statements of SEN. Grants focus on supporting pupils with some of the following challenges: raising self-esteem through promoting enjoyment and achievement; building learning

confidence through one to one tuition; supporting raising and celebrating achievement through educational trips and visits in line with pupils views, wishes and aspirations; purchase of resources to support identified needs (for example: purchase of sensory resources to aid pupils in regulating activities within the classroom).

- Evidence to inform decisions is gained through: EHCPs/Statements of SEN; professional reports (such as Occupational Therapists, Speech and Language Therapists); monitoring of progress and attainment in school; liaison with the team around the child (care manager, social worker, allocated clinician, school staff); use of evidence based research and resources.
- Grants are agreed to address a wide range of needs, and take group and individual needs into account.
- Smallbrook engage with parents/carers/social workers to take their views on the needs of their child into account when making decisions regarding the use of Pupil Premium. Discussions take place throughout the school year but, occur at least once a term in termly PEP reviews.

Some examples of how the school may use Pupil Premium:

- Providing extra one-to-one or small-group support
- Running catch-up sessions before or after school (for example, for children who need extra help with maths or literacy)
- Providing extra tuition where needed (for example, ahead of national assessments such as SATs or GCSEs)
- Funding educational trips and visits
- Funding for equipment that will benefit the student
- Music lessons for disadvantaged pupils
- Help with the cost of educational trips or visits
- Speech and language therapy
- Increase pupils' confidence and resilience
- Encourage pupils to be more aspirational

The pupil premium is allocated to the school based on the number of eligible pupils in:

Year 3,4,5,6

Year 7, 8, 9

Year 10, 11 and 12

Eligible pupils fall into the categories explained below.
